## Enrollment Form

### The purpose of our program....

The Anselmo-Merna Preschool helps to prepare students for success in kindergarten, while nurturing their development. We believe in a whole-child approach to fostering the development of children. This is a program specifically designed for four-year-old children.

### Eligibility....

Children that are eligible for A-M preschool must turn 4 by July 31, 2020, however, if your child turns 5 by that date, they will not be eligible for this program.
