June 5, 2022

Coyote Family,

It is again with a heavy heart that I relay some tragic news to you. Yesterday evening, Rod Gaston suddenly passed away due to natural causes. Mr. Gaston was excited to take over the superintendent duties at Anselmo-Merna in July.

Please keep the Wauneta-Palisade community, and in particular Pam and the Gaston family, in your prayers. The loss of Rod will be felt by many. I will post funeral plans, as well as opportunities for correspondence to District social media.

As we process this loss, our Board of Education and administrative team will develop plans to prepare for the 2022-2023 school year. We will also update our community as we finalize these plans.

As always, thank you for your continued support of our students and staff members. We are one Coyote family.

Sincerely,

Logan Lightfoot  
Superintendent
